SCHWEID & SONS: THE VERY BEST

In the late 1800's, Harry Schweid was a beloved butcher that sold high quality meats to local restaurants in New York City's Lower East Side. By the 1950's, his son Sam had his own business in Harlem, selling the best meat around. In 1978, Sam's son David took his family's long withstanding heritage in the meat purveyor industry and founded Schweid & Sons, a company that would focus on one product – ground beef. Today, that same passion, commitment and work ethic is carried on here at Schweid & Sons through David's two sons Jamie and Brad, with a dedication to producing the best tasting, highest quality ground beef.
